Copaiba and Sarsaparilla,

Possesses advantages not enjoyed by any other medicine for the cure of sexual diseases, which must with an enlightened public render it assuredly highly popular, and a desideratum long sought for in the medical world. It needs no confinement or change of diet. In its approved form, that of paste, it is entirely tastelless, and causes no unpleasant sensation to the patient. It has acquired the utmost fame in almost every part of Europe; it has been examined, approved of, and sanctioned by the faculty of medicine, and recommended by the most eminent of the profession. Prepared by J. W. THORN, Chemist, London, and for sale, wholesale and retail, by John A. Tarrant & Co., Agents for the United States, 278 Greenwich street, New York.

As the above valuable preparation has been extensively counterfeited by unprincipled parties in the United States, the proprietor has adopted, as a precaution against imposition on consumers, a Label, of which the following is a fac simile, and which will be found burnt in upon the bottom of each put of the genuine intended for sale in the United States, Canadas, British Provinces, West Indies and South America.

studying closely the practice of Drs. Having submitted it, with an explanation of its components, to a number of Physicians of Philadelphia, a mong whom were the late Dr. Joseph Hartsborne and J. C. The "Elixir" is very gradual, but ce-tain in its action upon the organs of digestion, the acreased secretions of the liver, pancreas and mucus in unbrane of the stomach, and requires that only one dose be taken in twenty four hours for confirmed Dyspelsy, can only be cared by gradually restoring the organs of diges-tion to a healthy state. The great success met with in uring the most aggravated cases of Dyspepsy, accom-anied sometimes with a high grade of hypochondria-is, has established the most unbounded confidence in the cerative properties of this "Elixir;" in corrobora tion of which, read the following testimonials:— ATTESTATION.—We having used Williams "Anti-lyspeptic Elixir" with the most perfect satisfaction and success, take great pleasure in recommending it to all persons suffering with Dyspepsy, as we are fully con-vinced of its most estimable qualities in restoring the digestive powers, removing all pains and uneasiness, and imparting a healthy tone to the stomach. Testimony of H. N. Sperry, who was advandanced as ixBernalliz and given UP to DE.

Dr. J. Whillams—Dear Sir.—For fifteen years previous to 1854, I suffered so much from Dyspepsy, that I became completely prostrated, both in mind and body, and at length became so weakened I could not attend to my business, and was sinking into a decline, and it was believed I never could recover; medical aid was procured for me, and every means resorted to without any relief, thil I was advised to use your "Elixir," and from the time I began taking it I gradually improved till I was completely restored to health. The dreadful sufferings I endured from Dyspepsy I cannot describe; but I am confident that without the use of your "Elixir," I should be in my grave. I assert that I sufemnly believe your "Elixir" has saved me from an early death. I continue now in the enjoyment of most excellent health.
